chapter1

we open on a village on an island and a boy and a dragon can be seen in the distance flying. The dragon was as black as night and the boy had a green tunic, brown pants and auburn hair. He was doing stunts like loops and spirals on closer inspection a girl on another dragon was there.

The dragon was yellow and blue the girl wore iron shoulder pads a blue shirt and had a spiked skirt with leggings her hair was the most beautiful shade of yellow and on her back was her main weapon of choice an axe as the boy flew past her she yelled out "is that all you got dragon boy I can do better than that" he just huffed indignantly and said "no one can beat a nightfury and his rider Astrid" Astrid replied "ok then watch this hiccup"

As she flew high in the sky and reached 600ft and then she dived about 450ft in her dive she left her dragon and was now freefalling. Hiccup almost had a heart attack he and his dragon flew as fast as they could to Astrid and her dragon but he was too far away. About 50ft above the water she got back on her dragon and got upright just in time and skimmed across the water as she came close to hiccup and his dragon he said "Astrid don't do that what if stormfly couldn't have caught you deadly nadders are fast but they do have a

limit!"

To which she replied "hiccup we trained for this she will catch me you have nothing to fear thor knows you already have enough fears" hiccup:"HEY! Not funny Astrid" Astrid:"what I only speak the truth" he just huffed indignantly hiccup:"c'mon lets head home" it was starting to get dark Astrid:"fine" and then they flew to berk. More specifically hiccup's house his father was still out doing something so Astrid came in to they sat down had supper and hiccup said "well it's getting late (well late for Vikings anyway)

I guess ill head to bed cya later Astrid" but when he turned around she wasn't there "huh must have went home c'mon toothless lets head to bed" but the dragon just sat there by the fire and did not move "fine stay there you useless reptile" so ascended up to the second floor of his house and when he go into his room Astrid was sitting there on his bed he said "Astrid you know you can't sleep in here with dad coming back and all that" Astrid just pouted and made puppy dog eyes hiccup:"Astrid don't c'mon that's no far puppy eyes are Not allowed" but she said Astrid:"pleeeassseee" and impossibly her eyes got bigger and wetter hiccup just sighed and said hiccup:"yes" and her face returned to normal and she said "good night" and turned over and went to sleep he got in and put his arm around her waist and he said "good night".
